125 years in public health,
- *125 years of public health in the UK* (Donaldson L J). **121**(3), 146-151 (A)
- *125 years of public health in the USA* (Moore S R). **121**(4), 262-267 (A)
- *Aspects of nutrition since 1876* (Dickerson J W T). **121**(2), 79-84 (A)
- *Changes and developments in cancer prevention* (Hill M J). **121**(2), 94-97 (A)
- *Changes in public health in South Africa from 1876* (Walker A R P). **121**(2), 85-93 (A)

125 years of public health in the UK (Donaldson L J). **121**(3), 146-151 (A)

125 years of public health in the USA (Moore S R). **121**(4), 262-267 (A)

21 medical mysteries (Dickinson J). **121**(2), 129 (BR)

A

A case study of the temporal onset of pulmonary hypertension with pre-existent cirrhotic portal hypertension (D'Souza R *et al*). **121**(4), 257-261 (LTBL)

A guide to HACCP and function catering (Worsfold D). **121**(4), 224-229 (A)

A model for encouraging positive health development with older people: the Community Lifestyle Programme (McAlinden M). **121**(3), 141-142 (CT)

A preliminary assessment of two hospital food service systems using parameters of food safety and consumer opinion (Hartwell H and Edwards J S A). **121**(4), 236-242 (R)

A rapid appraisal method for reviewing the effectiveness of workplace smoking policies in large and medium sized organisations (Harvey H D *et al*). **121**(1), 50-55 (R)

A tool kit for the NHS Plan (Lilley R). **121**(3), 201 (BR)

A woman's DIY guide to health (Jarvis S *et al*). **121**(1), 65 (BR)

Abioye-Kuteyi E A *et al*, *Role of traditional birth attendants in Atakumosa, Nigeria, The*. **121**(2), 119-124 (R)

Accessing emergency care, *Accessing emergency care at the time of a heart attack: why people do not dial 999 for an ambulance* (Ruston A). **121**(4), 243-247 (R)

Accessing emergency care at the time of a heart attack: why people do not dial 999 for an ambulance (Ruston A). **121**(4), 243-247 (R)

Acute coronary syndromes, *An overview of biochemical markers in acute coronary syndromes* (Olukoga A and Donaldson D). **121**(2), 102-106 (A)

Acute renal failure, *'Spontaneous' intraperitoneal bladder rupture in a psychiatric patient - with diagnostic difficulties* (Jutley R S and Mason R G). **121**(2), 125-127 (LTBL)

Adolescents, *Pattern of hand injuries in children and adolescents in a teaching hospital in Abha, Saudi Arabia* (Mirdad T). **121**(1), 47-49 (R)

Ageing trends,
- *Older people and their needs. A multidisciplinary perspective* (Corley G). **121**(3), 199 (BR)
- *Promoting the health and social care of older people: gaining a perspective from outside the UK* (Ashton L). **121**(3), 152-158 (A)

Ahmed A S M,
- *Pre-eclampsia: clinical associations and pathological changes*. **121**(2), 75-76 (CT)
- *Pre-eclampsia: hypotheses*. **121**(2), 76-78 (CT)

AIDS,
- *Beyond our means? The cost of treating HIV/AIDS in the developing world* (Panos Institute). **121**(3), 200 (BR)
- *Indinavir sulphate therapy associated with crystalluria and nephrolithiasis* (Mason R G). **121**(1), 7-8 (CT)

Air pollution, *Personal exposure to benzene and the influence of attached and integral garages* (Mann H S *et al*). **121**(1), 38-46 (R)

Air quality, *Possible effects on health, comfort and safety of aircraft cabin environments, The* (Brown T P *et al*). **121**(3), 177-184 (R)

Air travel,
- *Comfort and health in commercial aircraft: a literature review* (Brundrett G). **121**(1), 29-37 (A)
- *Travellers' thrombosis - walking a tight-rope* (Chant A). **121**(4), 211-212 (CT)

Aircraft, *Comfort and health in commercial aircraft: a literature review* (Brundrett G). **121**(1), 29-37 (A)

Aircraft cabins, *Possible effects on health, comfort and safety of aircraft cabin environments, The* (Brown T P *et al*). **121**(3), 177-184 (R)

Akinfolayan K, *see* Abioye-Kuteyi E A *et al*. **121**(2), 119-124 (R)

Aldridge D, *Spirituality, healing and medicine: return to the silence*. **121**(3), 199-200 (BR)

Ambrose P J, *Living conditions and health promotion strategies*. **121**(1), 9-15 (A)

Ambulance, *Accessing emergency care at the time of a heart attack: why people do not dial 999 for an ambulance* (Ruston A). **121**(4), 243-247 (R)

An overview of biochemical markers in acute coronary syndromes (Olukoga A and Donaldson D). **121**(2), 102-106 (A)

Analgesic, *Peppermint: more than just an after-dinner mint* (Spirling L I and Daniels I R). **121**(1), 62-63 (BP)

Ansari M A, *see* Dewan M *et al*. **121**(3), 193-198 (LTBL)

Antenatal care, *Should thyroid disease be screened for in antenatal care?* (Gossage A A R). **121**(1), 7 (CT)

Anti-muscarinic drugs, *'Spontaneous' intraperitoneal bladder rupture in a psychiatric patient - with diagnostic difficulties* (Jutley R S and Mason R G). **121**(2), 125-127 (LTBL)

Antwi D K N, *Historical perspectives on health* (Brewer H). **121**(1), 66 (L)

Art, *Art, science and art therapy. Repainting the picture* (Kaplan F F). **121**(3), 199 (BR)

Art therapy, *Art, science and art therapy. Repainting the picture* (Kaplan F F). **121**(3), 199 (BR)

Art, science and art therapy. Repainting the picture (Kaplan F F). **121**(3), 199 (BR)

Ashton L, *Promoting the health and social care of older people: gaining a perspective from outside the UK*. **121**(3), 152-158 (A)

Aspects of nutrition since 1876 (Dickerson J W T). **121**(2), 79-84 (A)

Assisted living, *Evolution of 'Close Care' as user-led care of the elderly in the UK, The* (Habell M). **121**(3), 165-173 (A)

Aston G,
- *Food hygiene legislation - a review*. **121**(4), 210-211 (CT)
- *Hygiene promotion. A practical manual for relief and development* (Ferron S *et al*). **121**(3), 200 (BR)

Attached garages, *Personal exposure to benzene and the influence of attached and integral garages* (Mann H S *et al*). **121**(1), 38-46 (R)

Autoimmune thyroid disease, *Should thyroid disease be screened for in antenatal care?* (Gossage A A R). **121**(1), 7 (CT)

Automobile injuries, *Distracted driver, The* (Peters G A and Peters B J). **121**(1), 23-28 (A)

B

Bacterial infections, *Home plumbing systems. How to reduce your risk of Legionnaires' disease and other bacterial infections* (Freije M R). **121**(1), 64 (BR)

Barry S, *A woman's DIY guide to health* (Jarvis S *et al*). **121**(1), 65 (BR)

Barton G, *see* Bloor K *et al*. **121**(2), 128-129 (BR)

Bent A J, *see* Smith J L *et al*. **121**(4), 220-223 (A)

Benzene, *Personal exposure to benzene and the influence of attached and integral garages* (Mann H S *et al*). **121**(1), 38-46 (R)

Bethesda,
- *Historical perspective on health. Medicine 2000 years ago: the case of Qumran and other biblical sites* (Macks G C). **121**(2), 134 (L)
- *Historical perspective on health. Medicine 2000 years ago: the case of Qumran and other biblical sites* (Moss G A). **121**(2), 134 (L)

Bethseda,
- *Historical perspective on health. Medicine 2000 years ago: the case of Qumran and other biblical sites* (Macks G C). **121**(2), 134 (L)
- *Historical perspective on health. Medicine 2000 years ago: the case of Qumran and other biblical sites* (Moss G A). **121**(2), 134 (L)

Beware of the pitfalls in measuring your own blood pressure (Qureshi Bashir). **121**(2), 74-75 (CT)

Beyond our means? The cost of treating HIV/AIDS in the developing world (Panos Institute). **121**(3), 200 (BR)
Bianka D, *Skin and occupation.* **121**(1), 65 (BR)
Biblical sites,
- *Historical perspectives on health* (Brewer H). **121**(1), 66 (L)
- *Historical perspective on health. Medicine 2000 years ago: the case of Qumran and other biblical sites* (Macks G C). **121**(2), 134 (L)
- *Historical perspective on health. Medicine 2000 years ago: the case of Qumran and other biblical sites* (Moss G A). **121**(2), 134 (L)
Biochemical markers, *An overview of biochemical markers in acute coronary syndromes* (Olukoga A and Donaldson D). **121**(2), 102-106 (A)
Biochemical neuroscience, *Distracted driver, The* (Peters G A and Peters B J). **121**(1), 23-28 (A)
Biography, *Off the cuff* (Donaldson R J). **121**(2), 129-130 (BR)
Birch K *et al*, *Quality in general practice.* **121**(2), 130 (BR)
Bitter harvest (Cooper A). **121**(4), 270 (BR)
Bladder rupture, *'Spontaneous' intraperitoneal bladder rupture in a psychiatric patient - with diagnostic difficulties* (Jutley R S and Mason R G). **121**(2), 125-127 (LTBL)
Blood pressure, *Beware of the pitfalls in measuring your own blood pressure* (Qureshi Bashir). **121**(2), 74-75 (CT)
Bloor K *et al*, *Future of hospital services, The.* **121**(2), 128-129 (BR)
Botanical perspectives on health, *Peppermint: more than just an after-dinner mint* (Spirling L I and Daniels I R). **121**(1), 62-63 (BP)
Brain function, *Distracted driver, The* (Peters G A and Peters B J). **121**(1), 23-28 (A)
Brewer H, *Historical perspectives on health.* **121**(1), 66 (L)
Brodie B S, *Health determinants and podiatry.* **121**(3), 174-176 (A)
Brogden M, *Geronticide. Killing the elderly.* **121**(3), 199 (BR)
Brooks G, *see* Leather P and Brooks G. **121**(1), 6-7 (CT)
Brown T P *et al*, *Possible effects on health, comfort and safety of aircraft cabin environments, The.* **121**(3), 177-184 (R)
Brown V, *see* Mann H S *et al.* **121**(1), 38-46 (R)
Brundrett G,
- *Comfort and health in commercial aircraft: a literature review.* **121**(1), 29-37 (A)
- *Home plumbing systems. How to reduce your risk of Legionnaires' disease and other bacterial infections* (Freije M R). **121**(1), 64 (BR)
- *How to reduce your risk of Legionnaires' disease in public places* (Freije M R). **121**(1), 64 (BR)
Buffets, *A guide to HACCP and function catering* (Worsfold D). **121**(4), 224-229 (A)

C

Cabin pressure, *Comfort and health in commercial aircraft: a literature review* (Brundrett G). **121**(1), 29-37 (A)
Calvert R C and Morgan R J, *Clinical drawings for your patients: erectile dysfunction* (Evans C M and Kell P). **121**(2), 131 (BR)
Campbell A J, *see* Robertson M C and Campbell A J. **121**(3), 143 (CT)
Cancer,
- *Changes and developments in cancer prevention* (Hill M J). **121**(2), 94-97 (A)
- *Promoting healthy skin* (Penzer R). **121**(2), 73-74 (CT)
- *Risk reduction for DDT toxicity and carcinogenesis through dietary modification* (Jaga K and Duvvi H). **121**(2), 107-113 (A)
Cancer prevention,
- *Changes and developments in cancer prevention* (Hill M J). **121**(2), 94-97 (A)
- *Promoting healthy skin* (Penzer R). **121**(2), 73-74 (CT)
- *Risk reduction for DDT toxicity and carcinogenesis through dietary modification* (Jaga K and Duvvi H). **121**(2), 107-113 (A)
Car, *Personal exposure to benzene and the influence of attached and integral garages* (Mann H S *et al*). **121**(1), 38-46 (R)
Cardiac troponins, *An overview of biochemical markers in acute coronary syndromes* (Olukoga A and Donaldson D). **121**(2), 102-106 (A)
Care delivery, *Professional territories and the fragmented approach of elderly care* (Hardey M *et al*). **121**(3), 159-164 (A)
Careers, *NHS management: a closed shop?* (Hodgkinson A). **121**(1), 66 (L)
Case study,
- *A case study of the temporal onset of pulmonary hypertension with pre-existent cirrhotic portal hypertension* (D'Souza R *et al*). **121**(4), 257-261 (LTBL)
- *Insulinoma presenting as a change in personality* (Vig S *et al*). **121**(1), 56-61 (LTBL)
- *Paraganglioma of the urinary bladder* (Dewan M *et al*). **121**(3), 193-198 (LTBL)
- *'Spontaneous' intraperitoneal bladder rupture in a psychiatric patient - with diagnostic difficulties* (Jutley R S and Mason R G). **121**(2), 125-127 (LTBL)
Catering,
- *A guide to HACCP and function catering* (Worsfold D). **121**(4), 224-229 (A)
- *A preliminary assessment of two hospital food service systems using parameters of food safety and consumer opinion* (Hartwell H and Edwards J S A). **121**(4), 236-242 (R)
- *Food hygiene legislation - a review* (Aston G). **121**(4), 210-211 (CT)
- *Food hygiene training: there is much more to it* (White E). **121**(4), 209-210 (CT)
- *Hospital food service - a USA perspective* (Edwards J S A). **121**(4), 209 (CT)
Chambers R *et al*, *Occupational health matters in general practice.* **121**(3), 202 (BR)
Changes,
- *125 years of public health in the USA* (Moore S R). **121**(4), 262-267 (A)
- *Changes and developments in cancer prevention* (Hill M J). **121**(2), 94-97 (A)
- *Changes in public health in South Africa from 1876* (Walker A R P). **121**(2), 85-93 (A)
Changes and developments in cancer prevention (Hill M J). **121**(2), 94-97 (A)
Changes in public health in South Africa from 1876 (Walker A R P). **121**(2), 85-93 (A)
Chant A, *Travellers' thrombosis - walking a tight-rope.* **121**(4), 211-212 (CT)
Chaplin M, *Evaluation of certain food additives and contaminants. 53rd report* (Food and Agriculture Organization/World Health Organization). **121**(4), 270 (BR)
Chief Medical Officer, *125 years of public health in the UK.* **121**(3), 146-151 (A)
Child health,
- *Child's world: assessing children in need, The* (Horwath J). **121**(3), 202 (BR)
- *Management of the child with a serious infection or severe malnutrition* (World Health Organization). **121**(2), 128 (BR)
Child well-being, *Child's world: assessing children in need, The* (Horwath J). **121**(3), 202 (BR)
Children,
- *Child's world: assessing children in need, The* (Horwath J). **121**(3), 202 (BR)
- *Pattern of hand injuries in children and adolescents in a teaching hospital in Abha, Saudi Arabia* (Mirdad T). **121**(1), 47-49 (R)
Cholesterol, *Time to look beyond just lowering the serum concentration of low density lipoprotein - high density lipoprotein levels are also important* (Nair D R *et al*). **121**(2), 98-101 (A)
Choral singing, *Perceived benefits of singing: findings from preliminary surveys of a university college choral society, The* (Clift S M and Hancox G). **121**(4), 248-256 (R)
Cirrhotic portal hypertension, *A case study of the temporal onset of pulmonary hypertension with pre-existent cirrhotic portal hypertension* (D'Souza R *et al*). **121**(4), 257-261 (LTBL)
Clients, *Role of traditional birth attendants in Atakumosa, Nigeria, The* (Abioye-Kuteyi E A *et al*). **121**(2), 119-124 (R)
Clift S M and Hancox G, *Perceived benefits of singing: findings from preliminary surveys of a university college choral society, The.* **121**(4), 248-256 (R)
Clinical drawings for your patients: erectile dysfunction (Evans C M and Kell P). **121**(2), 131 (BR)
Clinical presentation, *Insulinoma presenting as a change in personality* (Vig S *et al*). **121**(1), 56-61 (LTBL)
Close Care, *Evolution of 'Close Care' as user-led care of the elderly in the UK, The* (Habell M). **121**(3), 165-173 (A)

Cognitive reaction times, *Distracted driver, The* (Peters G A and Peters B J). **121**(1), 23-28 (A)
Collaboration, *Professional territories and the fragmented approach of elderly care* (Hardey M *et al*). **121**(3), 159-164 (A)
Colonoscopy, *Peppermint: more than just an after-dinner mint* (Spirling L I and Daniels I R). **121**(1), 62-63 (BP)
Comfort,
- *Comfort and health in commercial aircraft: a literature review* (Brundrett G). **121**(1), 29-37 (A)
- *Possible effects on health, comfort and safety of aircraft cabin environments, The* (Brown T P *et al*). **121**(3), 177-184 (R)

Comfort and health in commercial aircraft: a literature review (Brundrett G). **121**(1), 29-37 (A)
Commercial aircraft, *Comfort and health in commercial aircraft: a literature review* (Brundrett G). **121**(1), 29-37 (A)
Commercial flights, *Comfort and health in commercial aircraft: a literature review* (Brundrett G). **121**(1), 29-37 (A)
Communication,
- *Professional territories and the fragmented approach of elderly care* (Hardey M *et al*). **121**(3), 159-164 (A)
- *Selling health and safety* (Sowerbutts B). **121**(1), 5-6 (CT)

Community Lifestyle Programme, *A model for encouraging positive health development with older people: the Community Lifestyle Programme* (McAlinden M). **121**(3), 141-142 (CT)
Community participation, *A model for encouraging positive health development with older people: the Community Lifestyle Programme* (McAlinden M). **121**(3), 141-142 (CT)
Community pharmacists, *Community pharmacists' experience of over-the-counter medicine misuse in Scotland* (MacFadyen L *et al*). **121**(3), 185-192 (R)
Community pharmacists' experience of over-the-counter medicine misuse in Scotland (MacFadyen L *et al*). **121**(3), 185-192 (R)
Consumer information, *Foodborne disease: a focus for health education* (World Health Organization). **121**(4), 270 (BR)
Consumer opinion, *A preliminary assessment of two hospital food service systems using parameters of food safety and consumer opinion* (Hartwell H and Edwards J S A). **121**(4), 236-242 (R)
Control,
- *A guide to HACCP and function catering* (Worsfold D). **121**(4), 224-229 (A)
- *Retail fast foods: overview of safe sandwich manufacture* (Smith J L *et al*). **121**(4), 220-223 (A)
